

Social Calendar:

The social committee is currently in discussions in arranging monthly events for all players & members. Ideas and suggestions are always welcome. Please do not hesitate to speak to any of the committee members if you feel the events can improve in any way. The events are not for profit and are purely social outings to encourage team bonding and to have a good time. The social committee put a lot of time & effort into these events and need everyone's support and backing.

The more numbers we can get to these events, the cheaper the event can be run with no financial impact on the club. Given the value for money with player's fees, it is expected that all players make themselves available to support the initiatives of the social calendar where possible.
