Dear players,

It is with great enthusiasm that I begin my tenure as coach of Sunbury United. The key to success starts at training and being prepared to do that little bit extra that will set us apart from all other clubs. Training is where we begin to work on all aspects of our game and they being physically, mentally and strategically. With myself being a new coach there will be aspects of cricket that I bring to the club that you may not have seen or heard of in recent years and it is these ideas that I hope will take us to a new level and bring continued success throughout the club. It is with great pleasure that I announce Geoff Pretty will continue in his role as assistant coach for the 2015/16 season and I am looking forward to working with Geoff in making sure we get the very best out of everyone.
